**Appointment as Third Party Agent**

Circa Group, a leading hospitality, conferencing, events and sports travel group, has been appointed as a third party agent in the UK for ticket and hospitality packages for first stage England group games at the FIFA World Cup to be held in Germany in June and July 2006. Circa Group will be allocated for sale 'Follow England' packages by iSe-Hospitality AG, which has been granted by FIFA exclusive worldwide rights to the Official Hospitality Programme of the 2006 FIFA World Cup Germany™.

The decision made by iSe to work with only a limited number of specified companies in the UK follows well documented problems caused by unofficial operators at recent World Cups.

The FIFA World Cup 2006 will represent the first occasion on which the tournament has been held in Europe that corporate and individual customers will be able to book official ticket and hospitality packages. The cost per person of each three-game package will be 5,160 + 7.6% Swiss VAT.

The 'Follow England' package, which is only available through an official third party agent, guarantees at the confirmed price that you will see all three of England's first stage games wherever and whenever they are played. The packages will include excellent tickets, exclusive stadium access, high class catering and entertainment.

Circa Group is also able to offer its customers a range of travel and accommodation options to accompany the 'Follow England' packages.

Commenting on the appointment, Chief Executive of Circa Group, John Hockey, said: "We are clearly delighted to be among the first official third party agents appointed for the sale of hospitality packages for a World Cup. The packages available represent an exciting and rare opportunity for corporate and individual hospitality providers since, under current arrangements, the FIFA World Cup is not due to be staged in Europe again until the year 2026".
